INSTRUCTIONS

Any colors can be used to make some lovely pumpkins, here are the ones we used to make some neutral solid pumpkins.

Cream Pumpkin:

1. Use your fan brush to apply 3 coats of Sahara to all of the pumpkin except the stem.
2. Once the pumpkin is dry, use your medium brush to apply 3 coats of Mocha Java to the stem.

Peach Pumpkin:

1. Use your fan brush to apply 3 coats of Carnation to all of the pumpkin except the stem.
2. Once the pumpkin is dry, use your medium brush to apply 3 coats of Mocha Java.

TIPS

- Be generous with the paint to ensure proper coverage.
- All the white needs to be covered with the glaze.
- The colors create a new dynamic color where they overlap, so allow the stem to overlap slightly onto the pumpkin.
